Dear Valued Customer,

RE: B&R ENCLOSURES PRICE INCREASE EFFECTIVE 1ST JULY 2018

B&R Enclosures wish to advise that due to rising costs, we are implementing a price increase effective 1st July 2018.

B&R Enclosures has absorbed a proportion of the increase in costs that we have experienced. However, since we will not compromise on quality, passing on some of these increases is unavoidable.

On average, the price increase is 2.1%, with individual product prices being adjusted around this mark. Please be assured that B&R has an active continuous improvement program to improve business efficiency and keep costs down.

We strive to deliver quality products and services at competitive prices, which our customers rely on.

On behalf of the team here at B&R Enclosures, I wish to express our sincere appreciation of your custom and we look forward to serving your future needs.

Best Regards,
