Dear Valued Customer,

We regret to advise that as a result of the major Australian suppliers increasing their delivered cost of PVC conduit and pressure pipe by up to 8% starting as soon as March of this year we have no alternative but to increase our prices by 4.5% effective 1<sup>st</sup> May 2018.

A new price list will be issued prior to 1<sup>st</sup> May 2018.

The price rise will apply to all orders and deliveries made on or after 1<sup>st</sup> May 2018.

We regret having to pass on these price increases, but we are also confident that those of you who currently purchase product from the major suppliers will be already aware of their planned pricing schedules.

We sincerely thank you for your ongoing valued support.

Yours faithfully

*W Pearce*
