

EzyStrut Trade Price Adjustment - August 1st, 2017

Dear Valued Customer,

In light of continuing costs pressures, all EzyStrut products will experience a price increase.

Please accept this letter as notification that the EzyStrut Trade Price List will increase an average of 9.5% across our entire product range, effective August 1st, 2017.

I would like to thank you for your ongoing support and assure you of our continued commitment to providing consistently high levels of customer service.

Please do not hesitate in contacting our Sales Team should you require any further information.

Kind regards,

Chris Hartwig

Executive General Manager
