PRICE INCREASE 2.0%

Dear Valued Customer,

With materials, wages, transport and significant cost increase in power, we find ourselves in the position of being unable to absorb these increasing costs.

In an effort to recover these increases and maintain our quality of service, we wish to advise you of our intention to increase prices, effective 01st March 2018.

All orders received after the 01st March 2018 will be at the new increased price. We will endeavor to supply all existing orders prior to the price increase at the current rate.

New price files will be available shortly from our customer service department

We thank you for your understanding and welcome your ongoing support.

Yours faithfully,
