PRICE INCREASE 3%
EFFECTIVE 1st March 2019

Dear Valued Customer,

With materials, wages, transport, significant increases in electricity and a decline in the Australian Dollar, we find ourselves in the position of being unable to absorb these increasing costs.

In an effort to recover these increases and maintain our quality service, we wish to advise you of our intention to increase prices, **effective 1st March 2019** per trading terms.

All orders received after 1st March 2019 will be at the new increased price. We will endeavor to supply all existing orders prior to the price increase at the current rate.

A new price file will be available shortly from our Customer Service Department.

We thank you for your understanding and welcome your ongoing support.

Yours faithfully,
