Dear Valued Customer,

Price Increase Notification: 1st October 2018

We regret to advise that due significant increases in raw materials costs our selling prices will increase on the following products effective the 1st of October 2018.

The price rise will apply as follows:

- ⊙ **All PVC Electrical Conduits and Fittings will increase by up to 7%**
- ⊙ **All PVC Pressure Pipes will increase by up to 7%**
- ⊙ **All PVC Non-Pressure Pipes and fittings will increase by up to 7%**

A new price list will be issued during September 2018.

The price rise will apply to all deliveries made on or after the 1st of October 2018.

We also advise that we are unable to roll over any contract prices or existing quotes. Existing purchase orders will need to be resent to reflect the new pricing.

We regret having to pass on these increases and thank you for your ongoing support.

Yours sincerely,

Dan McGuigan
