06th June 2018

Dear Valued Customer,

Firstly, let me take this opportunity to thank you for your continued support. We appreciate and value your business.

In recent months there has been an unprecedented global shortage in supply of PA6.6 (Nylon). Manufactures of polymers have issued *force majeure* declarations causing dramatic price increases on raw polymer material. In turn, this has effected the costing of nylon products used within the electrical industry.

PRICE INCREASES & VARIATIONS

Due to increases and variations in supplier pricing (some already implemented by our suppliers), we advise the following Quador product ranges will have list price changes as of **1st July 2018**

Heyco: 8% Increase on all products. *plugs, bushes, cable ties, glands, wire clips, fasteners, conduits, fittings, etc.*

KSS: 15% Increase on nylon products. *Cable ties, cable tie bases, glands, spiral wrap, grommet edging.*

Hellermann Tyton: 12%. Increase on all nylon products. *Cable ties and bases.*

Netec: Due to increases in the price of Copper, Netec have implemented small increases on all brass bars. Percentages vary from product to product depending on brass content. 4 - 8% increase across the range.

Weidmuller: 4% increase across all products. This increase will take effect from 1st August 2018.

We apologize for any inconvenience that this situation may cause to you. Please be assured that we are striving to minimize the impact of these supply price increases.

Yours Sincerely

Nick Platt (Sales Manager)

WEIDMULLER- Rail mounted terminals, Electronic devices, relays, Opto couplers, Signal conditioners & convertors, Process alarms, Calibrators, Indicators and Relay interfaces. Power supplies, Multipole connectors, tools, Surge protection, Industrial Ethernet. Custom printed wire markers.
NETEC - Earth and neutral brass bars, Covered links, Stand off insulators, split bolt clamps. Control devices - Push Buttons, Switches, Actuators, LED globes.
BRADY - Thermal printers, Portable printing systems, High performance labels, Safety Signs & lockouts.
HEYCO - Cable glands, strain reliefs, Hole plugs and bushings, Cable clips and retainers, Nylon rivets, screws & spacers
TERMCO - Copper crimp lugs & links, Pre insulated terminals, Tooling Cord end ferrules.
KSS - Slotted cable ducting, Marking systems, Cable ties and mounts, Cable glands, Spiral wrap.
B&R - Enclosures, Racks & Cabinets.
IPA - Identification studs & Label Pins
CANUSA - Heat shrinkable tubing
KENTAN - Bus bar supports and plugs
AMPERE - Plugs, Bushes and stops.
ISKRA - Low Voltage Switchgear, Capacitors and power monitoring.
HELLERMANN TYTON - Quality Wiring accessories.
STAINELC Portable hydraulic hole punches.
SPECIALISED TOOLING - Hand and Power crimpers, Battery tools, rail cutters, benders, etc.
CUSTOM FABRICATION & CNC machining from - Switchpanel, Bakelites, Densified wood, Fiberglass angles, channels, rods, Polycarbonate, PVC and Acrylics. Custom covers and Plastic Folding.
