2018 PRODUCT PRICES

Attention: Purchasing Officer

Dear Valued Customer,

Over the past 2 years Smart Metering Product prices have remained unchanged.

Due to numerous increases in costs of materials, labour and overheads we have subsequently needed to increase our prices over our entire product range effective **1st AUGUST 2018.**

We thank you for your continued support as we maintain our high quality products and service.

Please find attached our new price list. Please ensure this information is updated on your system.

Please do not hesitate to call us if you have any questions.

Kind regards,

John Taranto

Managing Director
