Information on price increase 2019

Dear customers,

We would like to inform you about our new pricing for 2019. In general our prices will be increased by 2.5% for all deliveries from 01.01.2019, independent of the date of order. This price increase is necessary to offset price increases from our suppliers.

Attached you will find the Excel version of the pricelist for the coming year.

Feel free to contact us with any question.

With best regards

Bernd Bussek
