PRICE CHANGES

Dear Customer,

Over recent months we have seen a significant depreciation of the Australian Dollar against the US Dollar which has required us to review ladder pricing.

We have strived to improve our operating efficiencies so that price movements can be kept to an absolute minimum.

Your new price list is attached for your information and is effective from 1st February 2019.

For any queries please contact your Business Manager, Nneka Okonkwo on 0477 727490.

Regards,

Scott Douglas
