## ZG Lighting Price List

Dear Dianne,

Please accept this letter as notification of a slight rate adjustment and new products introduction, effective from **1<sup>st</sup> November 2017**.

The adjustment is a result of market price changes and new transportation costs over the last twelve months. Fortunately, investments in efficient equipment and improved technology will enable us to keep our prices at a minimum, today and in the future.

Please see in attachment to this communication the new Price List....

Should you have any questions regarding our services, please contact our office on 1300 139 965. Our Customer Service Team or your sales representative will be happy to help you.

We will continue to maintain the superior standard of our products and services for the coming year.

Kind regards  
The ZG Lighting Team
